### Animal's and their habitats

Local and world habitats  
Microhabitats  
Food chains

# Fire! Fire!

### Character Virtues for the Spring Term:

- January - Wonder
- February - Dignity
- March - Resilience

Dear Parents and Guardians,

We hope you all had a happy and enjoyable Christmas holiday and New Year! This term's focus is Fire Fire, which is all about The Great fire of London.

During the first half term, we will be focusing on our KS1 production. We are so excited to share this experience with you! Thank you in advance for help with costumes, line learning and song learning.

We are now working very hard to earn our cursive licenses! To earn this, the children must join the majority of their letters, size them correctly and place them on the line. Many children will still be writing in pre-cursive. We aim to be able to write in cursive by the end of Year 2.

In Maths, we will be focusing on Multiplication and division. Please try and complete as many sessions as frequently as possible on Times table Rockstars. Please focus on x 2, x 5 and x 10.

PE is every Friday (indoor) and Thursday (Outdoor). Please ensure your child has their PE kit available everyday as sometimes our slot can be changed.

If you have any questions, please let me know.

Many Thanks,  
Miss O'Dea

Key dates will be placed on the conservatory window once confirmed.
