Statistics
Shape
Position and Direction

Religious Education

What does it mean to be a Muslim?

Practices, ways of life, values and commitments and learning about how and why Muslims uphold their faith by giving commitment to Allah.

Visit to Kingston Mosque included.

Dear Parents,

This year is flying by as we welcome in the Summer Term already! The children really enjoyed and engaged with our Spring Term topics of Shackleton and The Tudors. We continue with our local theme looking at how Kingston has changed over time using the resources at the Kingston Museum and History Centre to help us. We will also be visiting the Stanely Picker Gallery in May using the Hogsmill river as a focus for our work.

A reminder that homework is set everyday and the children have three nights in which to complete it. We have been marking homework during Early Morning Work with green pen with the adults checking in during the process to make sure homework is completed and address any misconceptions that arise.

We will have PE on a Monday, Tuesday or Wednesday in the Summer Term so please ensure the children have their kits in school for the first part of the week.

Thank you for your continuing support.

Kind regards,
Mrs Allan

Dates for the diary:

- *Wednesday 17th April – Trip to Kingston Mosque
- *Tuesday 23rd April – Trip to Kingston Museum and History Centre.
- *Tuesday 7th May – Trip to Stanley Picker Gallery

Computer Science

**Purple Mash 5.5
Game Creator**

Create environments, characters and quests in a game environment to fit a selected theme.

PHSE

Relationships

Comparing different types of friendships and the feelings associated with them. Explaining how to stay safe when using technology to communicate with friends, including how to stand up for yourself negotiate and to resist peer pressure.

Do maps tell us everything we need to know about Kingston?

Geography

Do maps tell us everything we need to know about Kingston?

Using digital mapping to see how land use has changed in Kingston over time. Looking at the key landmarks in Kingston and surrounding areas. Exploring the River Thames role in Kingston in history and looking at maps and pictures to see how Kingston has changed over time including the main high street. Including a visit to Kingston Museum, Kingston History Centre and Stanely Picker Gallery.
