SURVEY SUMMARY COMMENTS

Three questions received the highest proportion of positive responses from pupils. Enjoyment of school, teachers helping pupils to do their best and the school encouraging pupils to look after their physical health all received 100% and show an increase in scores from the previous year.

The question which received the lowest proportion of positive responses from pupils was centred on the behaviour of pupils in lessons where 93.0% of pupils felt it was good. 5.6% (12 pupils) felt it was almost never good and 1.4% (3 pupils) felt it was never good. Interestingly, a higher proportion of pupils felt that the behaviour around the school is good with 98.6% giving a positive response.

11 out of 17 questions show an increase in the proportion of positive responses compared to the pupil survey conducted last year. The largest increase was seen in the question relating to safeguarding and having an adult to talk to if pupils have something that is worrying them. Two other questions showed a strong increase with the question relating to pupils taking part in school activities / clubs and the question where teachers listen to pupils when they have something to say in lessons. It was also pleasing to see that pupils enjoy their learning at St Luke's, which showed an increase with 99.5% positive responses verses 98.6% last year.

There were a few questions that showed a decrease in positive responses including the question about teachers giving pupils challenging work where 8 pupils disagreed. Whilst 4 pupils would not recommend St Luke's to a friend moving to the area, 211 pupils would and this includes an increase in the proportion of pupils (+1.2%) who said they would say yes to the same question.

In summary, the survey shows very positive opinions from pupils at the school whilst highlighting several actions to improve our educational offer including:

- Using pupil voice to understand why some pupils do not enjoy school.
- Focus on challenge across the school – in monitoring and learning walk focus.
- Behaviour analysis to identify pupils not following rules and systems in lessons and address this.

What do you like most of all at St Luke's

The teachers are nice and the lessons are fun.

Logging on to Purple Mash and iPads.

Behaviour – we show respect for each other and are kind.

Clubs are fun and lots to select from.

Very friendly – everyone is welcoming. It's easy to make friends here.

Hymn Practice!

Participating in the KS2 Production.

Equipment, I enjoy the use of ping pong tables.

The teachers give challenges.

Residential and parties.

Small school which is friendly.

Kind children throughout the school.

There is always an adult that we can talk to if we are feeling worried or down.

I like how we have a voice and can make suggestions to make our school better.

Doing computer coding in Purple Mash.

All the topics throughout the year – makes learning interesting.

School life – lots of friends and lots of learning.

We like our uniform and also the sports kits.

All the clubs.

We have special traditions each year, for example the Christmas hoops.

There are lots of school trips and tournaments.

The trim trail.

On school trips – not only do we learn but we also have fun!

Display boards are really helpful tools for learning and they brighten up the classroom.

Individual support from teaching staff.

The library has been a great addition to the school.

Teachers are helpful and kind.

There are lots of things to do at playtimes – cricket, football, basketball, table tennis, trim trail, etc. The outdoor facilities are great.

Open the Book – especially when we get to participate.

Any incidents that causes upset is dealt with.

There is a good range of clubs to suit all interests.

We are looked after and are safe.

St Luke's would be even better if...

Trampoline.

School dog.

Treehouse.

Macaroni cheese for lunch.

Our own pool for swimming lessons.

More worships.

More trips.

A prayer room.

More variety of lunches.

If there were swings.

Forest fun area, planting vegetables, encourage wildlife.

More residential trips.

Books – more Dog Man books.

Longer breaktimes.

We could Astro the playground by the classrooms.

Reading area (beanbags outside).

Monkey bars.

More Design and Technology lessons.

Even harder coding!

We learned other languages.

Bigger lunch portions for older children.

Apple and orange juice on a Friday.

New football goals nets.

More trees and grass, more nature.
