Dear Parents,

I hope you all had a lovely and relaxing Easter
holiday.

Our topic this term is the Ancient Egyptians. This will
be covered in history lessons and in English. Our
science topic this term will be living things and their
habitats.

Please continue to work with your child on their
times tables at home. We continue to focus on these
at school. This term we also cover time in maths. It
would be really beneficial if you could go over
learning the time with your child at home.

PE will take place on Monday and Thursday this term.
Please ensure PE kits are in school at all times in case
of a sudden time table change.

We will visit the library on a Thursday this term.

Thank you for your continued support!
Miss MacAuslan and Mrs Corlett
