

## Christian distinctiveness at St Luke's C.E. Primary School

We are a Church of England Primary School serving the community of Kingston upon Thames.

As a Church School, the governors and staff aim to weave our Christian distinctiveness into all aspects of the fabric of school life.

We aim to serve our community by providing a first-class education within a Christian context. We believe our school is a place where all are valued as individuals and as God's children, and that the whole child matters before God. We care for the whole child, and nurture their intellectual development as well as their other gifts.

We aim to teach sound moral values and a sense of community, where our values are those taught in the Gospel.

We believe the school should provide stepping-stones between church and the community it serves, enabling children to be familiar with the teachings and the environment of the church and providing children with a secure understanding of the Christian faith.

Our school provides the opportunity to experience what it is to live in a community that celebrates the Christian faith, offering a tangible, memorable experience of a lived relationship with God. It is a place where there is welcome and hospitality, encouragement and comfort, trust and understanding.

We aim to develop spirituality and a sense of meaning and mystery in everyone. School life is distinctly Christian within a broader spirituality, which encompasses all faiths represented in our community.
