<p>Write a story</p>	<p>...about the magical potion: does it have a moral?</p>
<p>Story starter!</p>	<p>Professor Plum had been locked away in his laboratory for days now, barely even stopping to eat or drink.</p>

	<p>He rested his left arm on the dusty pile of books scattered across his desk, and with his right hand he gently flicked the conical flask in front of him. The red and orange liquid inside coughed and spluttered as heat from the Bunsen burner excited it from below.</p> <p>Professor Plum wiped his weary eyes; only the excitement of finally finishing the potion kept him awake. Just a few more hours, then it would be ready...</p>
Write a poem	about your potion.
These sentences are 'sick' and need help to get better. Can you help improve them?	He flicked the flask. It had a red liquid inside. It bubbled. The room was smoky.
Write a description	<p>What sounds might you hear in Professor Plum's laboratory?</p> <p>Can you use your senses to describe what it would be like to be in there?</p>
