

# ST LUKE'S C.E. PRIMARY SCHOOL

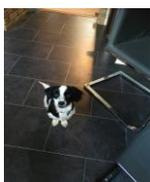

(Foundation) Headteacher: Mr Gareth Dutton

Monday 4<sup>th</sup> May 2020

Dear Nursery,

## RE: Year Group Message

Mrs Shaw, Miss Burgess, Mrs Edwards, Bronwen, Debbie, Mandy and I wanted to let you know what we've been doing since we were last all together in Nursery. Also, to say how much we have missed playing, laughing and learning with you.

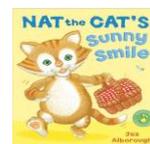

I am keeping busy looking after our new dog (Lilou) ....she is very lively and even climbed a tree to try to catch a squirrel last week! Sadly we have had some cheeky squirrels, who have forgotten they are supposed to live outside, move into our loft! They make a lot of noise and are chewing things. I think we need to cover the chimney pot to stop them climbing down. I am missing all the lovely nursery children and hope you are all well and having fun! I'm looking forward to the time when we can see each other again! From Mrs Shaw xx

I'm missing you. I hope you are having lots of fun at home and using your fantastic tidying up skills that we know you have to help your mums and dads too. I wish I could say I've been mastering a fantastic new skill! My days are filled with lots of playing with Orla (my daughter) and helping her with her home learning. We've planted lots of seeds in the garden and cooked new recipes together like Nigella's green eggs and ham - inspired by Cat in the Hat and a lot tastier than they sound (recipe link: <https://www.nigella.com/recipes/green-eggs-and-ham> ). When we go out for our exercise we love spotting all the wonderful rainbows in people's windows. We have also been preparing for a new addition to our family who is due to arrive June 21st by sorting through all of Orla's old baby clothes and toys for her to use. I can't wait to see you all again soon and hear what you've been up to. Miss Burgess xx

I have been keeping in touch with family and friends through FaceTime, WhatsApp, phone calls and Zoom meetings. We have a very lively WhatsApp road group involving almost everyone. It exists to support anyone who needs it in the road as well as donating cakes and other foodstuffs and equipment to our local hospitals and Kaleidoscope. Early last week I was very sad because Walter (pictured), one of my two cats, went missing but delighted when he reappeared later in the week. He was extremely hungry!

I have been going for walks most days, sometimes to the River Thames or Richmond Park and also riding my bike a bit. Otherwise I am staying at home - gardening, house chores, reading etc. Mrs Edwards xx

Keep smiling - just like Nat the Cat in Jez Alborough's wonderful story 'Nat the cat's sunny smile. Love Mandy

xx

I have been trying to remember everything I learnt many years ago about Shakespeare's plays in my O-level English literature course to support my daughter. Do feel free to email anything you recall about 'Macbeth' when you share your lovely home learning photos with us. If you run out of ideas, my little challenge is to be creative, using one or more of the recyclable materials making up my 'Hi'. Love Mrs Walsh xx

All of our Nursery families - please keep well and happy.

Love from,

The Nursery Team
