

# ST LUKE'S C.E. PRIMARY SCHOOL

(Foundation) Headteacher: Mr Gareth Dutton

Monday 4<sup>th</sup> May 2020

Dear Year 1,

## RE: Year Group Message

Hello everyone! It has been so long since we have seen you all that we thought we'd send an email and let you know how we are doing and that we miss you all very much.

We have had some amazing pieces of work sent through to the school (even posted through the fence!) and some great feedback on how you are managing with your home learning. Needless to say, we are incredibly proud of you and we have no doubt that you are continuing to be creative in how you are learning. Please keep all your pieces of work as I'm sure we can compile a special book together when we all return to school.

Miss Hodgson, who has recently moved house, has been busy emptying boxes and settling her family into their new life at home!

She has mastered making the perfect flapjacks with her children and of course she has been working with her both children with their own home-learning!

I have been providing lots of baked goodies including pizzas for my two girls who are at university usually but isolating and studying at home for now. As a family we have had a Monday night quiz on Zoom, which I haven't won yet!! My favourite thing so far is we had an outdoor cinema under the stars in the garden with popcorn, it was freezing cold but great fun!

I think the message here is that we have been looking after our families, spending more time in each others' company and feeding our families to keep happy and healthy. We are sure you have been doing similar things too.

Well we truly hope we will all be back together again soon. Please say a massive "THANK YOU!" to your wonderful parents for helping you through this.

Love from

Mrs Dalrymple, Miss Hodgson, Mrs Linton and Mrs Bintcliffe
