Dear Year 6,

## RE: Year Group Message

Hello to my wonderful Year 6s!

I hope you're all well and are managing to find the positives in this rather unusual continuing situation.

My days seemed to have passed by in a blur over the past couple of weeks; somehow, I feel busier now that I'm at home all the time. I have been immensely proud of how you have found your lockdown grooves as of late. It has been great to be able to give you some feedback on your work via PurpleMash and hear from you on Google Classroom. What a talented, creative and inspirational bunch you are! I know that you are being strong and compassionate with those around you, and are a powerful force for good in your homes, upholding our St. Luke's values (this month's is Motivation!).

For my part, I am really enjoying the amount of time I get to spend with my little girl, be it constructing her Lego Harry Potter Knight Bus, baking cakes, teaching her to play the piano and generally chasing her in the park while she's on her scooter, along with our own home-schooling routine. In turn, she's been teaching me some Spanish, creating Zumba dances for me to perform and regularly quizzing me on the characters of 'Almost Never' and 'The Worst Witch'!

Be positive role models. Let other people see how powerful and wonderful you are by talking to adults about what you are afraid of, bringing positivity to your family when they look sad and strengthening them by your good humour or kind words. This strange time will pass and, at some point in the future, know that our Year 6 community will be together once again to celebrate.

In the meantime, be kind, be hopeful and keep smiling.

Love Mrs Lowe
