

ST LUKE'S C.E. PRIMARY SCHOOL

(Foundation) Headteacher: Mr Gareth Dutton

Monday 4th May 2020

Dear Year 3,

RE: Year Group Message

It has been so lovely to hear updates from many of you and to find out about all of the brilliant learning that you have been doing with your families at home. I have been thinking of you lots and especially at 9am when I'm following Joe Wick's P.E. exercises and I know that many of you are too! It's nice to think about many of us doing P.E. together while we're apart! It was funny to hear about some of your creative fancy dress Friday costumes like Jabba the Hutt using a duvet!

I'm also glad to hear that you're able to use different technology to keep in touch with your friends while you can't spend time together as we used to before. It has been great to see the learning that you've been doing as we've received some impressive photos of the work that you've done and I've seen many amazing projects "handed in" on Purple Mash too! Many of you created detailed fact files on Mexico to end our topic for the Spring term which are now on our virtual display board and I've already started to see some of you working on your research about the Romans for our new Summer term topic! It's exciting to hear about the new things that you have been trying and I'd love to hear how it goes if any of you managed to try the homemade ice-cream experiment that I sent!

There have been a few birthdays celebrated by members of our class while we've been away from school so I'd like to send warm birthday wishes to Mrs Bye, Euan, Zac and Marco which were all in April. I hope you had a lovely day with family and were able to enjoy your special day spending time together.

I am so pleased to hear that you are working hard to keep up with your learning during this tricky time as well as getting outside, keeping active and doing creative things too. Remember to keep reading, smiling and having fun!

Take care,

Miss MacPherson & Mrs Bye
