

ST LUKE'S C.E. PRIMARY SCHOOL

(Foundation) Headteacher: Mr Gareth Dutton

Monday 4th May 2020

Dear Year 4D,

RE: Year Group Message

It has been so long since I have seen you all so I wanted to send an email to let you know how I am doing and tell you that I miss you all very much. Mrs Hennings, Mrs McGilvray and I have loved receiving emails and photos from you all telling us about the great work you have been doing. It seems like your home learning is going very well and that you are all working extremely hard. We are incredibly proud of how brave, positive and hardworking you have been during this strange time.

I have really missed being in school with you all, but I have kept myself busy by reading and talking to my family and friends on zoom which has been great fun; I am very excited to see them when this is all over. Another way I have kept myself busy is by going for lots of walks and runs in Richmond Park where I have seen lots of deer. I hope you have all been keeping active too. I have also tried to do some baking. Unfortunately, I am not the best at baking and burnt the last cake that I tried to make! I am sure you are all spending a lot of quality time with your families and if you have been baking, I hope you have had more luck with it than I have.

We miss you all very much and cannot wait to see you again very soon, but until we do, make sure you keep reading and practising your timestables!

Love from,

Miss Dowd, Mrs Hennings and Mrs McGilvray
