CREATE

THE ARTIFICIAL INTELLIGENCE CLUB

Aimed at children in years 1 - 6 in KS1 & KS2, our mission is to empower children to learn the basics and functions of AI in a fun environment.

JOIN THE CLUB >

AI-MATRIX-LEARNING.COM

THE FUTURE STARTS HERE

DIVE INTO AI

Start exploring what AI is all about with fun, interactive activities that make learning exciting!

CREATE COOL PROJECTS

Get involved in cool projects ranging from AI-generated art to image processing and even creating smart apps.

WORK TOGETHER

Join other kids in teamwork projects where you all can solve puzzles and build amazing things together.

SEE AI IN ACTION

Discover how AI helps in making games and apps smarter, and how it's used in gadgets around us.

KEEP LEARNING

Each week, take home exciting practice activities that will keep you sharp and ready for more AI fun!

HOW YOUR CHILD WILL BENEFIT!

- ✓ Understanding AI's Role in Daily Life
- ✓ Exploring AI's Capabilities and Limitations
- ✓ Engaging with AI in Fun Activities
- ✓ Ethical Considerations in AI
- ✓ Hands-On Projects and Interactive Learning
- ✓ Preparing for the Future

Monday: KS2 Multisport Club

Thursday :Year 1 & 2 Football Club

Friday: KS2 Football Club

KS1 (Y1&2) Lunch Time Chess Club

FRIDAY 12:20pm – 13:00pm

Beginners and Players Welcome

Why play chess?

Chess is fun, it is a lifetime hobby, but it is also so much more. Through chess, we learn how to analyse a situation by focusing on important factors and by eliminating distractions. **Players can become better problem solvers in their daily lives.**

Chess is a game that involves strategy, risk management, creative thinking, and the ability to manage your emotions.

- Chess is about **making decisions, analysing the problems, abstract reasoning.**
- Chess is a fantastic tool for **developing character** at a young age such as *resilience, patience, sportsmanship*. Understand that decisions have consequences, “**growth mind-set**” – learns from setbacks.
- Chess encourages **creative thinking, pattern recognition.**
- Chess also brings together all ages, nationalities, backgrounds, and gender.

In the club children will have fun learning with children of similar age. Beginners learn from scratch how to play and those who can play enhance the skills they already have as we learn various tactics, opening and endgames in club. **Over the term members will compete in a club tournament with prizes for all, including winner’s trophies, medals.** To improve your child’s chess skills, I would recommend they try to play three games of chess a week.

SUMMER TERM 2026 – FRIDAY LUNCHM-TIME

Wednesday Lunch Time Chess Club

KS2 (Year 3-6)

Why play chess?

Chess is fun, it is a lifetime hobby, but it is also so much more. Through chess, we learn how to analyse a situation by focusing on important factors and by eliminating distractions. Players can become better problem solvers in their daily lives.

Chess is a game that involves strategy, risk management, creative thinking, and the ability to manage your emotions.

- Chess is about ***making decisions, analysing the problems, abstract reasoning.***
- Chess is a fantastic tool for ***developing character*** at a young age such as *resilience, patience, sportsmanship*. Understand that decisions have consequences, “**growth mind-set**” – learns from setbacks.
- Chess encourages ***creative thinking, pattern recognition.***
- Chess also brings together all ages, nationalities, backgrounds, and gender.

There will be a tournament during the term with prizes for all including a winner's trophy and medals for runners-up. To improve your child's chess skills, I would recommend they try to play three games of chess a week.

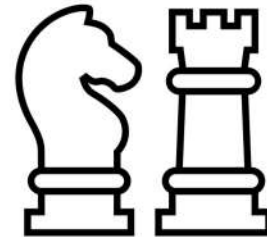

KS2 SUMMER TERM 2026 – LUNCHTIME CLUB (12:35 – 13:10)

First session: Wednesday 22nd April 2026

Last session: Wednesday 1st July 2026

Imagination takes you everywhere...

Debutots After School Club

Thursdays 3:10 – 4:15

Exciting
new club!

Discover a world of imagination with Debutots! Our unique blend of interactive storytelling and drama play helps children build confidence, communication, and creativity in a fun, nurturing environment.

Why Choose Debutots?

Debutots uses drama, play, and storytelling to support children's:

- Speaking & listening skills
- Imagination & creativity
- Emotional expression
- Early Years & Key Stage curriculum learning
- FREE interactive pack after every session, so you can join in with the adventures too.

A joyful, active session your child will look forward to every week and trusted by 200+ families locally!

Summer Term Adventures

This term's exciting themes include:

- 🌸 **Springtime in the Garden** - Exploring new life, creepy crawlies and the magic of the great outdoors.
- ✈️ **Jolly Journeys** - Packing our bags and setting off on exciting adventures to faraway places!
- 🌊 **Seascapes** - Diving deep beneath the waves to discover ocean wonders.

Along the way, we will:

- Dive down to the bottom of the sea with Simon the lonely stingray
- Meet a moth who's afraid of the dark
- Sail the seven seas with Captain Salty and his treasure map
- And enjoy many more imaginative tales!

Every week is a new story, new characters, and a new chance to shine.

Cost & Dates

£7.00 per session
(9 sessions)

Thursday 23rd April –

Thursday 2nd July

Thank you from Schuller Languages!

Happy Language Learning

“ My son thoroughly enjoys his French lessons and I am amazed how much he knows as he only started a few months ago! The small class sizes are ideal.”

H G. Glasgow

“ We have been really pleased with the way the classes are run, and feel they are good value. Our children's French cousins were impressed not only with what they know but their pronunciation.”

SR. Whitstable

ST LUKE'S PRIMARY SCHOOL | YEARS 3 - 6

Afterschool Code Club

Our first term starts with **WEB BUILDING!** Don't just surf the internet - build it! In this incredibly fun, hands-on course, you'll team up to design and code your very own website based on a topic you love. The best part? You'll be using real HTML and CSS code to bring your digital visions to life and tackle awesome coding challenges. Ready to turn your imagination into reality and level up from a digital consumer to a real Web Developer?

NEW

In the second term, get ready for **MINECRAFT ESCAPE ROOMS!** An epic adventure where your coding skills will be put to the ultimate test! Using visual code, tackle exciting escape room challenges inside Minecraft. Build bridges, solve mind-bending puzzles, and use your coding knowledge to unlock the secrets of the castle. For the grand finale, take on an adrenaline-pumping parkour challenge and escape the castle once and for all! Do you have what it takes to solve the puzzles, code your way to victory, and make it out in time?

**"You can't use up creativity.
The more you use, the more you have"**

DATES

Thursdays
23rd Apr - 2nd Jul

Judo at St Luke's on Wednesdays after school!

About Judo

Judo is a modern Olympic sport originating in Japan, which uses techniques and quick reflexes to get a partner off balance and take them down to the mat. It combines the ancient culture of the orient with today's concept of sport, fair play, sense of achievement and the fun of taking part.

Classes follow the British Judo Association Syllabus. Judo helps physical fitness, co-ordination and discipline. It also develops confidence and encourages interaction with others.

Judo suits are available to purchase but not compulsory at any stage. We recommend beginning lessons wearing PE kit or similar loose clothing.

About Academy Judo

Lloyd Nicholls has been teaching judo across the south-east for over 25 years. He is a 3rd Dan black belt and senior qualified coach recognised by the British Judo Association; he is a former South England Master's Champion and southern area team manager.

Limited spaces available - to book your child a space please use the following link.
