Debutots®

Imagination takes you everywhere...

story • drama • play

www.debutots.co.uk

Autumn Term Debutots Thursdays 3:10 - 4:10

Discover the wonder of words with Debutots as we use our unique blend of interactive storytelling and dramatic play to inspire and excite!

Why Debutots?

Debutots uses storytelling, dramatic play and creativity to develop children's language, speaking, listening and imagination skills. Our unique stories align with the Early Years Foundation Stage and Key Stage curriculum and are an invaluable support to your child's English and PSHE education.

In autumn term, we'll meet a whole host of original Debutots characters including Mother Earth and the arguing Weather Kings as we learn about seasons and weather; Lottie Leaf as she makes her first autumnal journey; The Stubborn Swallow who just won't migrate and let's not forget Avril Lanche and her Snow Patrol who'll take us on an imaginative adventure to find out where snow comes from!

£7.50 per session (9 sessions)

**Thursday 17th September – Thursday 3rd December
excluding half term)**

“My son thoroughly enjoys his French lessons and I am amazed how much he knows as he only started a few months ago! The small class sizes are ideal!”

H G. Glasgow

“We have been really pleased with the way the classes are run, and feel they are good value. Our children's French cousins were impressed not only with what they know but their pronunciation.”

ST LUKE'S PRIMARY SCHOOL | YEARS 3 - 6

Afterschool Code Club_

Our first term starts with **STOP-MOTION ANIMATION!** This course empowers teams to take their ideas from concept to screen. Using toys as their cast, participants will collaborate to develop engaging storylines, meticulously animate each scene, and combine their efforts into a final, polished film. The course culminates in an exciting screening where teams showcase their creative achievements.

In the second term, get ready for **SUPERHERO CODING POWERS!** Create the illusion of superhero powers through code, including: Telepathy, Mind Reading, Transforming, Ghost Busting, Time Travelling and Teleporting! Coders will build electronic circuits and learn how to run these programs on an emulator and a real Micro:Bit computer.

**"You can't use up creativity.
The more you use, the more you have"**

Judo at St Luke's on Wednesdays after school!

About Judo

Judo is a modern Olympic sport originating in Japan, which uses techniques and quick reflexes to get a partner off balance and take them down to the mat. It combines the ancient culture of the orient with today's concept of sport, fair play, sense of achievement and the fun of taking part.

Classes follow the British Judo Association Syllabus. Judo helps physical fitness, co-ordination and discipline. It also develops confidence and encourages interaction with others.

Judo suits are available to purchase but not compulsory at any stage. We recommend beginning lessons wearing PE kit or similar loose clothing.

About Academy Judo

Lloyd Nicholls has been teaching judo across the south-east for over 25 years. He is a 3rd Dan black belt and senior qualified coach recognised by the British Judo Association; he is a former South England Master's Champion and southern area team manager.

Limited spaces available - to book your child a space please use the following link.
