

Our Ethos

At St Luke's Church of England Primary School we aim to provide an ethos which is deeply Christian, whilst at the same time serving the common good within our community. We take the words from Ephesians 5.1 '**you must try to be like him. Your life must be controlled by love**' seriously and believe that all within our community should be able to flourish and achieve their full potential.

We realise this through the following areas:

School Vision

High expectations, by all, for all, reflecting the example of Jesus.

School Mission

Through creating a physically and emotionally secure environment, we aim to develop children with active minds and bodies, an understanding of the world around them, compassion for others, and the courage and confidence to be themselves.

Aims and Objectives

A Church School such as St. Luke's seeks to provide an environment of love; Christian precept and example within which children may develop, acquire skills and learn to make informed judgements. During their time at St. Luke's Primary School it is our aim that children should:

- develop lively, enquiring minds and appreciate that there is a joy in all forms of learning and discovery
- prepare for the society in which they will grow up, and develop an awareness of their own needs and those of others as well as the need for desirable social behaviour
- acquire skills of literacy, numeracy and effective means of communication
- gain a respect and appreciation of religious and moral values and a tolerance of all races in accordance with the teachings of the Church of England
- acquire an understanding of the world in which they live, its historical and physical background and a knowledge of human achievements and aspirations
- gain an ability in physical, artistic and manipulative skills
- learn skills relevant to adult life that will help them succeed in a fast-changing world
- acquire the skills necessary for lifelong learning

The school also aims to:

- provide a broad and balanced curriculum for all pupils
- prepare children for the opportunities, responsibilities and experiences of secondary school education
- develop a parent-teacher partnership which supports the achievement of the school's aims
- create a happy, secure and stimulating environment for the children

Character Virtues

The school has 22 Character Virtues, focusing on 11 each academic year, one each month. Virtues are introduced through collective worship and are developed in class through RE and PSHE lessons. Children are selected for Headteacher awards using the virtues from the term. The virtues are divided into the nine fruits from 'The Fruit of the Spirit', which tells us the good Christian qualities God expects us to be. Below is the complete list of our character virtues with the colours identifying which Fruit of the Spirit domain it belongs to.
