What Year 5 said about Hindleap Warren

My favourite part was doing the orienteering and using the map to find letters. The food was delicious and all the activities were fun!

Iris

I liked the climbing tower because it encouraged children to face their fears of heights. I liked cleaning up after our meals as it gave us a sense of responsibility!

Louise

We did Archery, forest adventure, team building and lots of others. It was the best trip I have been on at St Luke's. I would highly recommend bringing shoes that you can walk a long distance in!

Arnold

My favourite part of Hindleap Warren was the part where we jumped into a mud bath upto our waists! We did lots of activities in the woods too like catapults. The food was also amazing! Rowan

Hindleap Warren was amazing but muddy! I would advise your child to bring the following:

- *Waterproof coat (prepared to get muddy!)
- *Lots of clothes (you don't mind getting muddy)
- *pjs (they don't get muddy!)

Markos

Children return to school on the Friday around 11 - 11.30am.
